Upstairs, the first floor offers four bedrooms, with the main dual-aspect bedroom benefiting from an en-suite shower room. A family bathroom and a separate WC serve the remaining bedrooms.

The extensive and meticulously maintained gardens provide an attractive retreat, with the rear garden primarily laid to lawn, complemented by a patio area and an array of mature trees, plants, and shrubs. The front of the property features a gravel driveway with parking for multiple vehicles, surrounded by

lawned areas and hedge borders. Side gates offer convenient access to the rear garden.

Additionally, the property includes a detached double garage with an electric up-and-over door, power, light, and a side door leading to the garden, providing excellent storage and workspace options.

The property offers scope to improve and extend (STP). As the property is within the Moor Park conservation area approval for planning would be required via Three Rivers District Council and Moor Park (1958) Limited.
