For Clarification

We wish to inform prospective purchasers that we have not prepared these sales particulars as a general guide. We have not carried out a detailed survey, nor tested the services, appliances and specific fittings. Room sizes are approximate and rounded: they are taken between internal wall surfaces and therefore include cupboards/shelves, etc.

Accordingly, they should not be relied upon for carpets and furnishings. Formal notice is also given that all fixtures and fittings, carpeting, curtains/blinds and kitchen equipment, whether fitted or not, are deemed removable by the vendor unless specifically itemised within these particulars.

Whilst every attempt has been made to ensure the accuracy of the floor plans contained here, measurements of doors, windows and rooms are approximate, and no responsibility is taken for any error, omission or misstatement. These plans are for representation purposes only as defined by the RICS Code of Measuring Practice and should be used as such by any prospective purchaser or tenant.
